Subject: Biblical Principles of Agriculture - How to Lower Food Prices

Dear His Excellency:

Greetings! I hope this letter finds you well. We are reaching out to share a selection of Christian tracts that we believe may be valuable to your work. These documents contain insights and perspectives that could assist in formulating policies aimed at reducing food prices in the Philippines and ensuring food security for future generations.

We understand the challenges faced by the Department of Agriculture in navigating the complexities of agricultural policy and sustainability. Our intention is to support your endeavors with these resources, which we hope can provide additional context or inspiration as you work towards your goals.

We pray that these tracts will prove beneficial in your efforts, contributing to positive outcomes for both current and future citizens of the Philippines. If you require further information or wish to discuss this matter, please feel free to reach out.

Thank you for your attention, and we look forward to your response. Have a great day! God bless!

"Blessed is the nation whose God is the LORD; and the people whom he hath chosen for his own inheritance." Psalm 33:12

Respectfully,

John dela Cruz
